BANANA GROWING IN THE FIJI ISLANDS. ✓

A picture story of the banana culture in the Fijis showing in detail all the process of growing, cultivating, cutting, replanting and shipping bananas. The Fiji Island background is particularly interesting. An excellent film for either geographic or nature study.

This document is from the Library of Congress  
“Motion Picture Copyright Descriptions Collection,  
1912-1977”

Collections Summary:

The Motion Picture Copyright Descriptions Collection, Class L and Class M, consists of forms, abstracts, plot summaries, dialogue and continuity scripts, press kits, publicity and other material, submitted for the purpose of enabling descriptive cataloging for motion picture photoplays registered with the United States Copyright Office under Class L and Class M from 1912-1977.
